Life After Retirement*

What are you going to do for yourself and what will the cost be?

Are your expectations of returns on your investments realistic?

Will your investments keep up with inflation?

Are taxes a major consideration for you?

What is the most favorable way for you to create your cash flow?

Will your heirs be sustained financially when you are no longer with them?

What is the most suitable way to transfer my wealth?

Is conversion to a Roth IRA more efficient than my Traditional IRA?

Retirement may be the end of your working life, but it certainly is not the end of your financial life. There are many considerations to be examined before electing a course of action; then, who will monitor the course with you? Prudence would dictate that professional guidance should be used.

Tri-Town Heroes
Annual Wanderer Keel Awards
 By Kenneth J. Souza

The Wanderer is pleased to announce the recipients of the fourteenth annual "Wanderer Keel Awards." This yearly community service honor — which is presented to one resident from each of the three central towns in our circulation area — is our way of honoring those who have contributed in some way to the overall benefit of the community, either directly to town residents, indirectly through efforts in promoting town activities, or working

to keep the wheels of local government well-oiled. The only restriction is that these persons cannot benefit from their efforts in any other way — either financially or politically (hence, sitting elected officials are not eligible).

In doing this each year, we hope to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to many town functions. Like the keel of a ship which keeps the vessel from capsizing, the recipients of the Annual Wanderer Keel Award will be recognized for

Above: Rochester Post Office Officer-In-Charge Michael Proulx recently presented a plaque to members of the Rochester Historical Society. The award was prompted by a display of several interesting articles set up by committee members at the Rochester Post Office. The collection includes 17 framed black and white pictures of various town landmarks. Those interested in viewing the collection may do so Monday through Friday, 6:30 am to 5:00 pm, and Saturday 6:30 am to 1:00 pm. It remains available indefinitely and will periodically be refreshed with new items.

The young bikers arrived with the goal of pedaling their way towards raising \$10,000 in the fight to find a cure for cancer. Children ranging in age from 3 to 15 years were encouraged to participate in the bike rally benefit. (Photo by Robert Chiarito).

Ruocco will be the Principal Speaker at Mattapoisett's Annual Memorial Day Ceremonies to be held on Monday, May 28 beginning at 1:30 pm at Center School. LTC Ruocco graduated from the United States Military Academy in 1979 and served on the faculty of his alma mater from 1996 until his retirement in 2002, having served 23 years on active duty. • **MATTAPOISETT:** Bradford A. Hathaway, 87 Aucoot Road.

While some may be quick to criticize the poignant and persistent questions of people like **Bradford A. Hathaway** on Town Meeting floor, Mr. Hathaway is the very epitome of "democracy in action." A longtime member of the Mattapoisett Land Trust and vocal proponent for the town's tremulous taxpayers, Mr. Hathaway has strived to keep Mattapoisett not only "special," but affordable for everyone. While working families may not feel the immediate pinch of rising taxes, Mr. Hathaway has served as a constant reminder of those on fixed incomes hoping to live out their golden years in Mattapoisett.

Mr. Hathaway most recently led a group of 21 like-minded residents and taxpayers in filing a lawsuit challenging the 2003 Town Meeting vote proposing the swap of the so-called Tinkham Forest Land for 400 acres owned by The Bay Club. Mr. Hathaway was one of the first to question whether Mr. Tinkham's donation could be used in such a manner, and a Superior Court judge concurred that the Town Meeting vote was, in fact, "invalid and of no legal effect." For making sure the Tinkham Forest conservation land was not lost and for working to see that all taxpayers are treated fairly, Mr. Hathaway is this year's recipient of the Wanderer Keel Award for Mattapoisett.

graciously, and diligently behind the scenes to encourage people to give land and funds to protect one of Marion's most valuable commodities: open space. He has always taken a great deal of pride in the rural community he calls home and his devotion to the Lands of Sippican is evident in the many roles he's played in town government: as a member with the Conservation Commission; Open Space Planning Commission; the Wastewater Facility Planning Group; the Harbor Planning Committee; the Tri-Town River Committee; and the Marion Circulation Committee.

A regular fixture at many government meetings and town gatherings, Mr. Kenney is always ready to greet others with a smile and a friendly handshake. Longtime Marion residents have probably at one time or another glimpsed Hod pumping the pedals of his bike through the town — an iconic image of a man enjoying a recreational activity. Thanks to the efforts of Mr. Kenney, future generations will continue to enjoy similar recreational activities throughout the open spaces of Marion he helped to preserve.

Mr. Kenney joins the ranks of previous Marion recipients: Claire Russell (1994); Ralph and Phyllis Washburn (1995); Annie Giberti (1996); Jay Crowley (1997); Tyler Blethen (1998); Olive E. • **ROCHESTER:** Anna E. White, 20 Snow's Pond Road.

There are few people in Rochester as acquainted with and devoted to preserving the town's rich, historic legacy as **Anna E. White**. As a current and vibrant member of both the town's Historical Commission and Historical Society, Ms. White makes a point of reminding present-day Rochester residents of the past efforts of their forefathers.

During a recent program at Memorial School, she enthralled students with information about the early settlers in the community, including such unique details as how they dressed and what they ate. Having worked in the Board of Selectmen's office from 1969 to 1982, Ms. White also served on the Salary Review Board from 1986 to 1989 and was first appointed to the Historical Commission in 1997, on which she still serves as Chairman. Her pride for and commitment to the Town of Rochester remain evident in all she does and like the many important artifacts and historic tales she has collected and shared over the years, Ms. White is one of the town's true treasures.

Ms. White joins the ranks of previous Rochester recipients: **Joseph McCarthy (1994); Jean Fennell (1995); Katherine Hartley Church (1996); Chris Byron (1997); Albert Alderson (1998); Arthur and Aline Lionberger (1999); Kenneth E. 150 Years

Mattapoisett's Big Birthday Bash

By Robert Chiarito

The Rev. J. Tathill of the Mattapoisett Congregational Church wrote a hymn for the town of Mattapoisett on the occasion of the town's fiftieth birthday that began with the verse,

*"My soul delights to journey to a place beside the sea
Where the Father in his goodness made a home for you and me.
A home of love and beauty in the dear land of the free,
The land of hope and joy."*

Sunday, May 20, marked the 150th birthday of the Town of Mattapoisett and it felt as though each of the town's inhabitants was gathered beneath the large white tent behind Town Hall to celebrate. The people of Mattapoisett, a place beside the sea, began their summer-long celebration, "Celebrate Mattapoisett's Sesquicentennial – 150 Years of Smooth Sailing," by throwing a birthday party for the town. Town Moderator Jack Eklund filled the role of master of ceremonies, introducing special guests ranging from the town's Selectmen and other local officials to its representatives in the State House, presiding over the brisk hour-long event.

Students from each the town's schools read the "Acts of Incorporation," and the Old Hammondtown School Orchestra provided the day's musical accompaniment in the form of patriotic songs including "God Bless America" and the "Star-Spangled Banner" as the town's Boy Scout Troop #53 presented the colors.

Seth Mendell, President of the Mattapoissett Historical Society, spoke to the crowd about the town's rich history and the many events leading to its secession from Rochester in the first half of the Nineteenth Century. Mr. Mendell painted the picture of a thriving seaport filled with whaling boats and clipper ships that brought the

name of Mattapoisett to people the world over. He told the audience about the arrival of the Ned's Point Light, the coming of the railroad to Mattapoisett, and invoked the names of Captain Barstow and John Quincy Adams and how they played vital roles in the early history of the town.

The only part of the day that did not come off without a hitch was the lighting of the town birthday cake, which was located on the steps of Town Hall. A steady rain did not allow the crowd to see the lighting of the cake as planned, leading Mr. Eklund to joke, "Okay, now imagine the lighting of a huge cake" as he directed people to take the time to view the cake on their own. The rain did not dampen the spirit of the day and even was the cause of a few good-natured laughs including a small ripple that spread through the crowd as they sang the chorus of the town hymn, "Hail thee ever Mattapoisett, Fair of climate Mattapoisett, Blest thy shores o' Mattapoisett, God made thee Place of rest."

A birthday party is never complete, however, without a cake and Girl Scout Troop #29 provided the party-goers with cupcakes and Cape Cod cranberry juice to bring the day's celebration to an end. The Sesquicentennial Committee has many more events planned throughout the summer to commemorate Mattapoisett's 150 years of life by the sea. The summer-long party will culminate in a week-long celebration to be held in August. If you did not attend Sunday's ceremony and would like to see what

Bike Benefit

Tri-Town Riders Brave Weather

By Robert Chiarito

Several hundred children and their parents braved soggy conditions to attend the first annual Pan-Mass Challenge Tri-Town Ride on Saturday, May 19 at the Center School on Barstow Street in Mattapoisett. The young bikers arrived with the goal of pedaling their way towards raising \$10,000 in the fight to find a cure for cancer.

Children ranging in age from 3 to 15 years were encouraged to participate in the bike rally benefit. "What are you going to tell your friends and your teachers when you get back to school on Monday?" asked event coordinator Kathy Gauvin to the sea of orange-shirted kids sitting before her in the Center School Gym. "You're going to tell them that you helped raise money to find a cure for cancer."

In a scene being repeated throughout the Commonwealth of Massachusetts this summer, towns are holding bike rallies to help raise money for various charitable organizations such as the Dana-Farber Cancer Institute, that are both doing research to find a cancer cure and helping to make the lives of those who have cancer a

The Pan Mass-Challenge is the largest contributor to the Jimmy Fund each year, donating nearly half of the organization's yearly funding. Another point of pride that separates the PMC from other organizations of a similar ilk is that 99 percent of the money it raises goes directly to the charities that it supports making it one of the world's most efficient fundraising organizations. To date the Challenge has raised over \$171 million since its founding in 1980.

Saturday's event saw children participating in several different fundraising efforts designed with both safety and fun in mind. For the tricycle and training wheel

Older kids rode longer courses of either one or four miles with each rider making as many trips around the circuit as they were able. Other events included a bake sale and a raffle of prizes donated by local businesses.

At the end of the day the young cyclists and budding philanthropists were reward for their efforts with a party that included a live DJ, face-painting and a cook-out. The organizers hoped to establish the Tri-Town area as an annual participant in the PMC's efforts.

The event was an opportunity for the people of Marion to probe the points of view of the 11 candidates running for various contested seats in the upcoming May 29 election.

A large audience attended the event hoping to

get at least a few questions answered concerning many of the issues facing the Town of Marion during this election cycle and the in the years to come. Many of the voters who were present at the forum voiced concerns over the rising costs and living expenses that they claim are forcing people to move from Marion including the hot button issue of escalating water and sewer rates, property taxes and other such financial burdens.

The evening began with an informal meet the candidates session that allowed the people to speak directly to the men running for office. A more formal and structured debate commenced at about 7:15 pm that saw the candidates begin by making a three-minute opening statement explaining their qualifications for the posts and offices which they were running for. This was followed by a question and answer session that began with each candidate answering a question that had been supplied to them by the League of Women Voters.

The candidates, grouped by the office for which they were running, then took questions submitted by the audience as read by moderator Judith Coykendall. As expected, most of the questions surrounded the issue of Marion's sky-rocketing water and sewer rates. Incumbents explained how they intended to lower the cost of town government while opposition candidates countered with their ideas. Among the many ideas that were floated were regionalizing and cutting back town services by sharing the burden with the other Tri-Town communi-

ties of Rochester and Mattapoisett as the area had done before when they joined forces to form the Old Rochester Regional School District.

The event had a very cordial tone for the most part, without much rancor or divisiveness over the issues at hand with many of the candidates often complementing or deferring to their opponent's ideas, statements or positions. While mostly fair to all of the candidates, the structure of the forum seemed to work against challengers in several cases. During the portion of the debate that had the candidates answering questions from the audience, there were often moments when the questions asked were posed in a way that only allowed answers to be given by incumbent candidates. This left challengers sitting idly by

Mattapoisett Elects Newcomers to Planning, Water Boards

By Kenneth J. Souza

Despite a meager 16 percent voter turnout for Mattapoisett's Annual Town Election on Tuesday, May 22, the 737 residents who did cast votes at the polls seemed to want to change.

Of note was the defeat of longtime Water/Sewer Commissioner **James Huntoon**, who lost his two-year seat to newcomer **Christopher Jaskolka**, 300 to 379 votes, respectively. Likewise, veteran Planning Board member **Barry Perkins** lost his bid for re-election to **John P. Mathieu**, who received 346 votes to Mr. Perkins' 335.

In the other contested races on the May 22 ballot, **Donald J. Fleming** earned an open seat on the Board of Assessors, handily defeating candidate **Robert L. (Buzz) Gammell**, 447 to 217; both **Mary F. Magee** (466 votes) and **Bette A. Roberts** (475 votes) managed to retain their seats on the Board of Library Trustees, fending off challenger

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. • To grant a Common Victualler's License to J.Z. Associates, d/b/a Panino's of 33 County Road (formerly Cerulli's). "We want to start small and add to it," new owner Margaret Juneau said, noting the new business will begin serving lunch on Thursday, May 24.

• To set a Special Election for Tuesday, June 26, 2007 for the Debt Exclusion Override to fund the Mattapoisett Fire Station project.

• To grant a request from the Highway Department to transfer \$5,000 within their account.

"We are currently out of expense money and we have two items in the wages portion of the budget that we will not be using between now and the close of the year," said Highway Surveyor Barry Denham. "We'd like to use that money to cover these expenses."

"This process is only allowable between May and June of each year," Selectman Lombard said. "The Department of Revenue allows you to make inter-departmental transfers to cover expenditures."

Mr. Denham also presented the board with a

review of his first year as Highway Surveyor. "By the end of this year we will have worked about 10,219 hours," Mr. Denham said, "which will end up costing the town about \$30.50 per man-hour. If the town were to go out and hire people under the prevailing wage, we probably be spending closer to \$50 an hour."

Mr. Denham noted the town has about 75 miles of roads that the Highway Department maintains on an annual basis. Some roads, such as Chapel Road, have solid foundations but just need to be resurfaced, he said. He is proposing to use a new 'micropaving' process to resurface these roads so that the bulk of his money can be spent on completely redoing the more severe streets in town.

and-a-half miles right in the center of town — that need to be completely redone and torn up," Mr. Denham said. "The last time many of these roads were done was in 1980 ... when they ran the sewer lines. It will cost us about \$1 million a mile to do, so we're talking about \$4.5 million. We have to maximize our dollars and get as many miles per year for our (money)."

The board next presented citations to Kenny Mazilla of Kenny's Farm Stand for his recent donation of trees to be planted in honor of the town's 150th Birthday Celebration, and also to retiring Assessor William Hall, who is stepping down after 10 years of service to the town.

In other matters, the board:

- Noted Old Colony Regional Voke Tech's Commencement Exercises will be held on Sunday, June 3 at 1:00 pm. Selectman Collyer will be attending.

- Reminded residents that the town's Annual Memorial Day Services will be held on Monday, May 28 beginning at 1:30 pm at Center School.

- The next regular Selectmen's meeting will be held on Tuesday, June 12 at 7:00 pm at Town Hall.

Botelho noted there will be a pilot sailing program held this summer during a two-week period between Harbor Days in July and the Sesquicentennial Celebration in August. Details are available through the Harbormaster's Office.

Mr. Botelho also recommended the board rebid and revisit the Harbormaster's Building project which came in far too high for consideration at the recent Annual Town Meeting.

"(The bids) were too far out of whack," Chairman Andrews agreed.

"Just as food for thought, since we're moving forward with plans for a new Fire Station, I'd like the board to think about what we're going to do with the existing Fire Station," Selectman Lombard said. "Do we want to sell the building or do we maintain it?"

"I've given it a lot of thought," Selectman Collyer said. "My concern is in order to make that a viable building for use by another town department, we'd have to put in at least \$1 million into it. So, I would wholeheartedly endorse looking into the sale of the building."

"I'm not for keeping it," Selectman Lombard agreed. "I'm for selling it."

Under correspondence, the board noted that the Old Rochester Regional Junior High School Music Department will present "Concert in the Park" at ORR Junior High School on Thursday, May 31 at 11:00 am, with a rain date of June 1.

viewed the rules and procedures for Town Meeting and then introduced Selectmen Chairman Andrew J. Jeffrey offering "an appreciation" to former Town Administrator Julia Enroth-Whitlock, who recently returned to Marion to fill in as Interim Town Administrator until Paul Dawson's full-time hiring.

"It was a real honor and opportunity to come back to Marion — a place and people I love," she said. "Believe me, in the Town Administrator's business, being appreciated (like this) is a rarity."

Selectman Jeffrey also wished to thank both former Selectman Loretta B. Schaefer and former Town Administrator Ray E. Pickles for filling in as Treasurer / Collector and Town Clerk, respectively.

"I will say it's been interesting coming back, I've missed it," Ms. Schaefer said. "But really it's the people in Town Hall who have held it together these past few months. They did a terrific job."

"I would also like to say that I enjoyed coming back," Mr. Pickles said. "I'd also like to add to what (Ms. Schaefer) said. It's really the staff who did a tremendous job keeping everything on track."

Under **ARTICLE 1**, voters were asked to set the compensation for elected town officials as follows: Board of Selectmen, each member, per annum (\$4,806); Board of Assessors, each member, per annum (\$4,744); Board of Health, each member, per annum (\$1,830); Town Clerk, per annum (\$19,111); Treasurer, per annum (\$28,529); Col-

lector, per annum (\$28,529); Town Moderator, for Annual Meeting (\$240), per Special Town Meeting (\$79).

ARTICLE 1 passed unanimously.

Under ARTICLE 2, voters were asked to approve a total \$16.58 million General Operating Budget for Fiscal Year 2008.

Resident Leedia Macomber questioned why the Town Administrator, who has only been on the job since the beginning of the year, was getting a 21.20 percent salary hike.

"When we advertised for a Town Administrator, we made it clear that we wanted someone with experience and the salary was from \$85,000 to \$100,000," said Selectman Andrew Jeffrey. "When (Paul) Dawson was hired, we negotiated with (him) and came up with a salary of \$96,000. This is a two percent increase (over that)."

A similar question was raised by resident Tom Magauran over a proposed 16.75 percent increase in the Town Accountant's salary. "When is it all going to end?" he asked. "We fight like hell to keep our rank and file people at three percent or less. Yet, you're telling us is if we don't give (the Town Accountant an) increase, she's going to leave."

The expected questions were raised about individual funding for the Treasurer's (\$32,349) and Collector's (\$38,809) positions — both of which are being proposed to become a single position on the May 29 Annual Town Election ballot.

But the bulk of the debate and discussion under ARTICLE 2 focused on a requested 26.03 percent increase in Marion's assessment for the Upper Cape Regional Technical High School.

"This is the only budget that came before us and the five (other member) towns with a 15 percent increase," said FinCom member Lee Vulgaris. "You just heard about positions being cut at ORR. Upper Cape serves five towns: Falmouth, Bourne, Sandwich, Wareham, and Marion. If two towns do not recommend the budget, it has to go back to be reworked. Falmouth approved the budget, Sandwich did not, Bourne is in limbo, and Wareham approved their own version of the budget without FinCom approval. I feel very strongly that this school needs to look at the way they came to a 15 percent increase."

But according to Upper Cape's Superintendent, Kevin Farr, the state sets a minimum Foundation Budget for all schools and this year they are only \$12,149 over that bare-bones amount.

"On October 1 of each year, we report the number of students enrolled: we have 647 students this year, which is our highest enrollment to date," Mr. Farr said.

"We deserve to go along with this budget this year and I would urge you all to go along with it," added FinCom member James Barron.

With that, a motion made by Mr. Vulgaris to reduce Upper Cape's budget by five percent, or \$16,267, was soundly DEFEATED.

Old Rochester Regional High School's Baseball Team continued their march to an SCC title on Monday, May 21 as they defeated Wareham High School 7-2 to clinch no worse than a tie for the crown. **Andrew Martin** survived a rocky first inning, settling down and giving the Bulldogs seven strong innings en-route to a complete game victory, his eighth of the season. The win capped another strong week for the 16-3 (15-3 in SCC play) Bulldogs. Martin was also the winner on Wednesday, May 16 as ORR rode a five-run fifth to a 7-4 win at Fairhaven. The team received a strong outing from pitcher **Ben Church** as they blasted their way to 15-0 victory over Greater New Bedford Voke Tech the next night, Thursday, May 17. **Andrew Martin** and **Ryan Shove** both homered in the game as ORR jumped out to an early 8-0 lead in the second inning and never looked back.

In the **SCC Conference Track Meet** on Monday, May 21, **Stephanie Reusch** and **Peter Asci** lead their teams to impressive finishes as they stood above the field with their individual feats. Reusch, who is qualified for state and national meets later this month, led the Lady Bulldogs to a second placed finish as she won the long jump and set an individual meet mark of 43.7 seconds in the 300-meter hurdles. Reusch's dominance was punctuated in that race as she finished nearly five seconds ahead of her nearest competition. Reusch capped her day by

pushing the ORR 4x400 relay team to a meet record time of 4:10.6 — a two-and-a-half second improvement over their old record. For her efforts Ms. Reusch was named the meet's outstanding female athlete. **Peter Asci** was named the field events athlete of the meet as he tied the SCC meet mark of six feet eight inches in the high jump. Asci led the boys' squad to a fourth place finish adding a third place finish in the 110 hurdles to his record setting high jump performance.

The **Old Rochester Boys Tennis Team** won the SCC crown by downing Fairhaven High 5-0 on Thursday, May 17. **Regis Chang** and **Matt Lawrence** were straight set winners in singles play with both player winning love and love while number two singles player **Jordan Sattelmair** lost only one game as ORR dominated throughout the match, much as they have done all season. The boys also downed Dighton-Rehoboth 4-1 on Tuesday, May 15. Heading into the last week of the regular season ORR stands at 16-1 overall with an undefeated record of 11-0 in SCC play.

ORR's Girls Tennis Team has continued its fine season with wins over Dighton-Rehoboth, Fairhaven and Seekonk during the past week. The Lady Bulldogs won 4-1 at home versus DRHS on Tuesday, May 15 and followed that win with a 5-0 win at home over Fairhaven. The ladies were on the road on Monday, May 21 downing Seekonk 5-0. The Bulldogs did not drop a single set in the match as they pushed their record to 16-3 overall and 13-1

The **Lady Bulldog Softball Team** has also qualified for post-season play as they head into the season's final week with a 12-8 record. ORR began the week with a 5-4 loss to Fairhaven on Wednesday, May 16 at the Dexter Lane Fields in Rochester. The Ladies rebounded nicely with a mercy rule shortened 15-0 six inning win at Greater New Bedford Voke Tech on Thursday, May 17. **Abby Oldham** collected four hits for Old Rochester, driving in two runs while **Chelsea Santos** drove home two more runs on three hits. The Bulldogs dropped Monday's season finale to Wareham 10-3.

Old Colony's Girls Softball Team continues to be an area force. After losing 4-2 to Bristol Plymouth Regional Technical School on Wednesday, May 16, the Cougars picked themselves up by dusting Tri-County Tech in a double-header sweep winning 3-2 in game one and 11-0 in the night cap. **Nikki Thomas** won both halves of the double header by throwing three hitters in both games. Letters to the Editor

To the Editor:

Matthew King and his family would like to publicly thank the Mattapoisett Lions Club, and all those who helped out Saturday, May 12, to construct a wheelchair ramp for Matt.

King Lion Pierre Bernier quickly assembled a hard-working team which included Lions Bruce Rocha, Tom Muldoon and son Patrick, Chuck McCullough, Ron Ellis, Jeff Swift and his son Jared, local resident Jay Mello, and Lion Mike King, Matthew's Dad.

Matt's grandmother, Roni King, provided sandwiches and lemonade to keep the crew going throughout the day and into the night to complete the project. Construction materials were generously donated by Mahoney's Building Supply and Kenny's Farm Stand of Fairhaven, plans were donated by Fisher and Rocha. The town Conservation and Building Departments expedited the permits.

We would also like to recognize the donations and efforts of Jackie Slade, the family of the late Donald Look, Lion Paul Stubbs, Realtor Jim Dubois, Water Street Realty, Community Cancer Care members Debbie Days and Cheryl Zeppenfeld, George and Maureen Butler, Kim Corazzini and the faculty at ORR, the Honor Society of ORR, the Drama and Sci-Fi Clubs of ORR, Mattapoisett Troop 53, the Saint Anthony's coffee group and the members of the community that have helped and supported us throughout Matt's treatment.

Matthew was diagnosed with ALL, a form of childhood leukemia in June of 2005. He is currently in remission, but still undergoing chemotherapy. He is struggling to heal from chemotherapy-induced AVN, a degenerative bone condition, which has confined him to a wheelchair. Matthew is currently preparing

To the Editor:

The positions of Treasurer and Collector are critical to the Town of Marion's finances. The individual who holds these positions is responsible for millions of taxpayer dollars.

In the past we have been most fortunate to have had capable people elected to those positions. However, we now have the opportunity to change the way we select the most qualified person and not leave it to chance. We have the opportunity to professionalize the way the Marion Treasurer/Collector is chosen.

The Marion town budget, managed by the Treasurer/Collector, is over \$20 million, and our bond rating, through Stan-

dard and Poor's, is currently AA. The Treasurer's performance is critical to the Town's bond rating, state funding receipts and the Town's financial liabilities. As we have seen in a neighboring town, without a professional in place, there is the possibility of fees and fines for late or missed filings of required government documents, as well as reduced State funding and delayed free cash certification which can affect the tax rate. Additionally, we face the possibility of a lowered bond rating, costing the taxpayers significant money through higher interest rates on the Town's future borrowings.

These positions, over the years, have grown in complexity. A Treasurer/Collector must not only have a financial background and experience, he or she should have municipal experience, must be well versed in municipal finances and municipal finance laws and he or she should have supervisory experience. The learning curve for municipal finances is very steep. These are not positions where one should get on the job training.

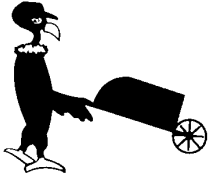

We currently have a process in place to appoint the Superintendent of Schools, the Town Administrator, the Town Accountant, the Police Chief, the Fire Chief and the DPW Superintendent. These are all positions which require specific education, skills and qualifications like those of the Treasurer/Collector. These are the professionals who manage our town; they are accountable on a day to day basis, not on a three year election cycle. Should an appointed candidate not work out to the satisfaction of the Town, the ability to replace the individual is termination, rather than waiting for an elected person's term to expire.

As some communities have found, we can no longer assume that qualified, capable individuals would be willing to

run for election. By appointing a Treasurer/Collector, we will be able to hire a professional who is trained in municipal finances and who meets the qualifications and standards set by the Town, which may include certification as a Massachusetts Treasurer/Collector. The appointment to any town position does not preclude a qualified town resident from applying.

and my ability to "let go" and entrust someone else with my physical well-being. I had had always thought of myself as being generally healthy, even though, being far from what is considered living a healthy lifestyle by today's standards.

On the day that I did need help I felt extremely fortunate and grateful to have had the services of the trained officers and EMTs working under the direction of Chief Mary Lyons of the Mattapoissett Police Department. Once the call for help was made, I can remember immediately hearing sirens from police cruisers shortly followed by the ambulance, with police officers coming through my front door to begin assessing my condition and offering treatment. Not only did the police officers and civilian EMTs work in an organized, professional manner — there was compassion, comfort and a social bedside manner that I will never forget. I can't recall everyone's name involved in this call, but know that my family and I are eternally grateful.

I was also pleased to see the recent articles pass at our (Annual) Town Meeting in support of the Mattapoissett Police Department's request for two replacement vehicles among other items requested in our best interest. Besides Mattapoissett being fortunate to have a dedicated, seasoned and motivated department, they need our continued financial and moral support to maintain a level of security and safety that other towns can only yearn for. Maintaining fast response capabilities requires safe, reliable equipment including vehicles, communications equipment, and associated medical equipment.

In closing, I wish to say to my fellow citizens, visitors and vacationers, you should be comforted in the fact that medical aid response times are probably the best you will ever see in a small seaside community like Mattapoissett. That combined with reliable mutual aid agreements with our neighboring towns

To the Editor:

Marion concluded its 20-odd article Annual Town Meeting warrant on the first night (Monday, May 21). Accomplished was the awkward explanation of the current Town Administrator's proposed new salary of about \$97,000 (up 20 percent), the defeat of citizen petitions for automatic recount of close money question votes, defeat of a provision for recall of elected officials and a general dismissal of concerns for the democratic process and concerns for the disadvantaged within

For those of you who care, who are not yet so discouraged that you can no longer bear to be involved, our town election next Tuesday (May 29) is the next and perhaps the last recourse. MILESTONES

Deaths

Nancy Sorensen Jenney, 74 of Wareham died May 17, 2007 at the Sippican Healthcare Center in Marion after her long battle with cancer. She will be missed by all who knew and loved her.

Born in Perth Amboy, NJ to Hans and Grace Sorenson, Nancy lived much of her life in near the ocean on the South Eastern Massachusetts coast in Marion, Onset and finally Wareham proper. A self proclaimed snowbird, she also kept winter residences in Florida throughout most of her life, but settled at Englewood in her final years. An avid artist, Nancy was active in local arts communities making jewelry, painting and potting. She found great joy in the creation of beauty and in the sharing of it with others--there are many "Jenney Originals" in existence that will hold unmatched value to their owners both for their quality and the memories they instill. Nancy is survived by her loving children, grandchildren and siblings; daughter Leah Bialic and her husband Ted of Middleboro; son Peter and his wife Judith of Hollis New Hampshire; grandchildren Hannah Bialic, Patrick and Devon Jenney; sister Pat Vincentz of Falls Church, VA; sister Betty Rypkema of Waldwick, NJ; brother Skip of Vero Beach, FL.

Private funeral services will be held at Rock Cemetery in Middleboro. In lieu of flowers; donations to the American Cancer Society at 30 Speen St, Framingham, MA 01701 are greatly appreciated by the family and all those battling cancer in one way or another.

Jeanette E. (Cook) Bonney, 83, of Portsmouth, RI died May 14, 2007 at Nemasket Healthcare Center after a brief illness. She was the former wife of Dr. Henry T. Bonney of Mattapoisett.

A proud Canadian born in Edmonton, Alberta, Canada, the daughter of the late Fred and Gertrude (Allen) Cook, she raised her children in the Farmington Valley area of Connecticut and resided in Portsmouth, RI for the last 10 years. As a young woman, she was a talented swimmer, diver and skater. She had a pioneer spirit and lived in the Colorado Mountains for 8 years after raising her 5 children. Mrs. Bonney was an

accomplished singer who sang in various choirs, shows and in the Swanhurst Choir in Rhode Island. She was a registered nurse for numerous years before raising her children. Survivors include her former husband; three sons, David Bonney of Newington, CT, George Bonney of Portsmouth, RI and Douglas Bonney, and his wife Kathy, of Franklin, MA; a daughter, Ann Whiting, and her husband Dale, of Mattapoisett; a daughter-in-law, Yvonne of Scarborough, ME; three grandchildren, Craig Whiting, Kara Whiting and Mitchell Bonney; and numerous nieces and nephews. She was the mother of the late Geoffrey Bonney and the sister of the late Allen Cook, Jack Cook and Margaret Watts. Arrangements by the Saunders-Dwyer Mattapoisett Home For Funerals, 50 County Rd. (Rt. 6) Mattapoisett.

MARION FAMILY CHIROPRACTIC

WHAT DOES IT MEAN TO BE A FAMILY CHIROPRACTIC PRACTICE?

At Marion Family Chiropractic, you will notice something different. Children are playing in the reception room, mothers of twins are sharing strategies for raising their children, and grandfathers are telling stories. All of them are there to have their spines checked for alignment – so they will grow, live, and age their best.

A family chiropractic practice is about a pregnant woman who's been told her back pain is "a normal part of pregnancy" – but now, a few weeks into her chiropractic care - her pain is gone. It means that after her baby is born, his spine will be checked for proper alignment. Later this afternoon, her husband will come in to have a chiropractic adjustment that helps clear his sinus problems and headaches.

It is about a young woman who has been a chiropractic patient for years, bringing in her 87-year-old grandmother. She had six years of acute back pain that she was told she would have to "just live with" because of her age. After one visit her pain is almost gone. She has been telling her friends that they should try chiropractic care also - pain does not have to be a part of aging.

It is about families with three – and sometimes four – generations under chiropractic care. For example, infants who were helped with colic, toddlers with ear infections, grade-schoolers with asthma and allergies, teens with migraines, fathers with back pain, mothers with carpal tunnel syndrome, grandfathers with sciatica, and grandmothers with fibromyalgia.

A family chiropractic practice means that these families will tell you that they cannot imagine raising children or going through life without chiropractic care – it is what helps to keep them healthy and living life to its fullest.

Marion Candidates Forum

With the town facing inevitable budget constraints and/or reductions in state aid, how would you approach fiscal spending if (re)elected?

**Jonathan F. Henry, Incumbent
Marion Selectman (3-year term)**

"By combining reduction/eliminations in services with seeking additional revenues to ensure funding for ongoing projects."

**David K. Pierce, Candidate
Marion Selectman (3-year term)**

"I will work hard to ensure that town-wide planned growth is affordable."

**Joseph P. Zora Sr., Candidate
Marion Selectman (3-year term)**

"I would do everything I can to back it down because the people ... (are) in deep trouble. I want to put control back with Town Meeting where it belongs."

What do you think of the recent proposals to establish so-called "fast-food chain" restaurants in Marion?

**Jonathan F. Henry, Incumbent
Marion Selectman (3-year term)**

"Once all the hurdles imposed by regulatory boards have been cleared, the permit should be granted. Seven years of 'hearings' is unconscionable."

**David K. Pierce, Candidate
Marion Selectman (3-year term)**

"The Planning Board can never say 'no' to a project that satisfies all of the conditions of site plan review — it can only steer it."

**Joseph P. Zora Sr., Candidate
Marion Selectman (3-year term)**

"I really don't have any thoughts on it because I'd like to read what the Planning Board has seen. I don't want Marion to change ..."

How can Marion avoid a repeat of the recent controversial decision to increase water/sewer fees by 70 percent?

**Jonathan F. Henry, Incumbent
Marion Selectman (3-year term)**

"The 70 percent base rate increase is a short-term solution, temporary in nature, to a long-term problem. The load can be diversified to equalize the burden."

**David K. Pierce, Candidate
Marion Selectman (3-year term)**

"I would help produce a ten-year capital project list that includes a priority and timing of projects which includes a financially affordable roadmap."

**Joseph P. Zora Sr., Candidate
Marion Selectman (3-year term)**

"I'm going to put the Selectmen's meetings back to every Tuesday night and meet once a month with all department heads to review financial matters."

How do you respond to the need for a new Marion Police Station and the fact that voters have previously failed to fund it?

**Jonathan F. Henry, Incumbent
Marion Selectman (3-year term)**

"The voters need a venue, i.e. public hearings, to vocalize what exactly they would be willing to finance."

**David K. Pierce, Candidate
Marion Selectman (3-year term)**

"Delay continues to drive the cost of this important and much-needed project upward. How is this saving us money and providing better security?"

**Joseph P. Zora Sr., Candidate
Marion Selectman (3-year term)**

"The Police Station is needed, but ... we have over \$40 million in debt and we've got to get that down and see what can be done without clobbering people."

What are the most important qualities that make you the ideal candidate for this position?

**Jonathan F. Henry, Incumbent
Marion Selectman (3-year term)**

"Experience with leadership at increasing levels of responsibility, consistency, willingness to consider and adopt opposing views if for the greater good."

**David K. Pierce, Candidate
Marion Selectman (3-year term)**

"I am fair, reasonable, I listen carefully to differing perspectives, and I work very hard to solve difficult problems."

**Joseph P. Zora Sr., Candidate
Marion Selectman (3-year term)**

"The most important quality is my experience. I served for 43 years in town. I want to get people's input — I won't cut them off and never will."

MOVIE REVIEW

Green Monster

By Rob Gonsalves
www.robsmovievault.com

***Shrek the Third*. With the voices of Mike Myers, Eddie Murphy and Cameron Diaz. Directed by Chris Miller. Running time: 93 minutes. MPAA rating: PG.**

Shrek the Third, the latest summer-season event to gross \$500 billion within two hours of its release (or whatever), follows the irascible ogre (Mike Myers) into the terrifying prospect of fatherhood. At first, he balks: he just wants to live in his swamp hovel with his beloved ogre wife Princess Fiona (Cameron Diaz). But the movie is about rising to your destiny and heeding the scary call of adulthood, which in Shrek's case must mean reproduction. The *Shrek* films have tried awfully hard to preach acceptance and progressive thought, but the happily child-free in the audience may feel a bit left out in the cold. According to this film's schematic, you get married, you have babies, and you don't question it.

That aside, *Shrek the Third* is about on par with its 2004 predecessor, leaving behind the overt fairy-tale parodies of the first film and bringing the hoary old characters to new witty life. For instance, here we have the *kaffeeklatch* of Snow White, Cinderella, Sleeping Beauty, and Rapunzel, voiced respectively by Amy Poehler, Amy Sedaris, Cheri Oteri, and Maya Rudolph. Except for Sedaris, who has considerable comedy chops of her own, that's a formidable grouping of *Saturday Night Live* vets, to put alongside Myers and Eddie Murphy (who returns as the voice of the irrepressible Donkey). When the quartet of fairy-tale heroines band together with Fiona, the soundtrack kicks into *Kill Bill*'s "Battle Without Honor or Humanity," one of many free-floating adult pop-culture references.

The frog king (voiced too briefly by John Cleese, whose *Python* colleague Eric Idle turns up as Merlin) is on his last frog legs, and the throne must be passed to someone. Certainly not Shrek, who is offered the gig but swiftly demurs. No, it seems there's another heir out there, a high-school dweeb named Arthur (Justin Timberlake), unaware of his destiny. Meanwhile, the blond, handsome and slimy Prince Charming (Rupert Everett), doomed to humiliating dinner theater, seeks to claw his way into the respect he feels is rightfully his; he gathers a group of vil-

lainous malcontents and launches an attack on the vulnerable kingdom.

It's a recent tradition for second sequels to be a bit busy; *Spider-Man 3* threw in everything including the kitchen sink, and the same looks to be true of the upcoming *Pirates of the Caribbean: At Franchise's End*. The third *Shrek* boasts a lot of diversions, including a body-switch between Donkey and the suave Puss in Boots (Antonio Banderas), but at 93 minutes it gets in and out fast while still leaving room for Myers to develop Shrek with layers of melancholy and doubt — at this point, with *Austin Powers* long played out, *Shrek's* about the only bid for posterity he's got. The animation gets sleeker with each entry — a shot of Prince Charming unleashing his hair in a Pantene-commercial moment subtly tells us how far computer imaging has come — and not many other \$160 million blockbusters would make time for a rendition of "Live and Let Die" by grieving frogs. (The *Shrek* films have a history of musical hipness; Prince Charming rattles off a phrase that pays tribute to Bob Dylan.)

There's the obligatory burp and fart humor for the kiddies, of course, but any film with the wherewithal to cast Ian McShane as Captain Hook has more going for it than flatulence. The *Shrek* franchise started out bumpy for me but has improved with each chapter, though I wonder how many more films this concept can hold. A trilogy is a nice neat number, though a \$750 trillion opening weekend (or whatever) may make it hard for DreamWorks to leave well enough alone, and a fourth go-round has already been announced for 2010. The cynical suspicion arises that Shrek faces fatherhood so that his progeny can star in direct-to-DVD sequels without having to pay Mike Myers seven figures. Get married, have kids, make money for the corporation.

SALOME'S STARS

ARIES (March 21 to April 19) A stubborn refusal to go ahead on a project mystifies colleagues who expected more flexibility. But once you explain your position, they'll understand and even applaud you.

TAURUS (April 20 to May 20) A relationship seems to be stuck in the same place. Now it's up to you, dear Bovine, to decide how far you want it to go and how intense you want it to be. Choose well and choose soon.

GEMINI (May 21 to June 20) A relationship progresses more slowly than you would prefer. Best advice: Insist on a frank and open discussion. What is learned could change minds and, maybe, hearts.

CANCER (June 21 to July 22) It's all right to be grateful to a workplace colleague who has done you a good turn. But gratitude shouldn't be a life-long obligation. The time to break this cycle is now.

LEO (July 23 to August 22) It's going to be especially nice to be the King of the Zodiac at this time. A recent money squeeze eases. Plans start to work out, and new friends enter Your Majesty's domain.

VIRGO (August 23 to September 22) Before you make a commitment on any level (personal, professional, legal), get all the facts. There might be hidden problems that could cause trouble later on.

LIBRA (September 23 to October 22) Personal relationships improve. Professional prospects also brighten. A job offer could come through by month's end. An old friend seeks to make contact.

SCORPIO (October 23 to November 21) Your senses detect that something is not quite right about a matter involving a workplace colleague. Best advice: Follow your keen instincts and don't get involved.

SAGITTARIUS (November 22 to December 21) A prospect offers rewards, but it also demands that you assume a great deal of responsibility. Knowing you, you're up to the challenge, so go for it, and good luck.

CAPRICORN (December 22 to January 19) A favor you did a long time ago is repaid, as a trusted colleague steps in to help you with a suddenly expanded workload. A family member has important news.

AQUARIUS (January 20 to February 18) A new job offer could require moving across the country. But before you let your doubts determine your decision, learn more about the potentials involved.

PISCES (February 19 to March 20) Your sense of fair play doesn't allow you to rush to judgment about a friend who might have betrayed you. Good! Because all the facts are not yet in.

BORN THIS WEEK: You have a romantic nature that allows you to find the best in people. You would excel at poetry and drama.

The American Cancer Society's Relay For Life is a unique community overnight event that allows individuals from all walks of life to join in the fight against cancer. The event raises cancer awareness and funds for research, education, advocacy and local patient service programs while serving as a way to remember loved ones, inspire others and celebrate life.

Teams form from businesses, clubs, families, friends, hospitals, schools and service organizations. The event takes place at a local track, during an 18- to 24-hour period, and one team member is always walking, jogging or running, while other members camp out along the track and enjoy entertainment, activities and camaraderie.

Funds raised benefit American Cancer Society programs of research, education, advocacy and local services for patients and their families.

Mattapoisett Mosquito Dunks

In an effort to reduce the mosquito population and help protect residents from mosquito borne disease, the Mattapoisett Board of Health now has mosquito dunks available for residents to help stop mosquito larvae from hatching in small, wet areas. Complete instructions for use and other information will be given out with the dunks. They are available at the Mattapoisett Board of Health office during regular business hours at no charge. Residents can request up to five dunks at a time. This amount will treat 500 square feet. These dunks are extremely effective in wet areas around the home and will last 30 days or longer, depending on the conditions.

If you have any questions, please contact the Mattapoisett Board of Health at 508-758-4100, extension 8.
